

Crisis Management Plan:

All students have the right to a safe environment. Shades Valley has an extensive Crisis Management Plan that includes communication and cooperation with all emergency agencies. In the case of any emergency the security of all students takes priority. In any emergency situation the parents will be notified as quickly and as safely as possible. During a crisis situation it is important to for everyone to remain calm. Students are expected to obey all instructions from administration and/or faculty.

- Fire and Tornado Emergency Exit: Emergency Exit Plans are posted in each classroom and are also posted in all other areas of the campus buildings.
- Lock-Downs: Lockdowns will be announced by code phrase. An official announcement ends the lock-down. No students are allowed to leave their area of supervision for any reason during a lock-down.
