

[Print](#)**Detention Policy:**

Occasionally, a student must be disciplined for not adhering to a school or Jefferson County Board of Educational policies. Most minor and intermediate violations require a specified amount of detention time and must be served by the student immediately after school, from 3:00 - 5:00 PM on specified dates. **If a student arrives late to detention he/she will not be admitted and are subject to further discipline action. Students should not leave the campus before going to detention.** Missing an assigned detention time will also result in further disciplinary action. A student may be temporarily excused if he is sick and brings a doctor's excuse. Absences will be dealt with individually and proper documentation is required.
