

**Grading System:**

Most SVHS/JCIB/SVTA teachers use the point system for assigning grades. Each class assignment, test, activity, etc., is worth a predetermined number of points. At the end of the grading period, the total number of possible points sets the scale.

- A ..... 90% to 100% of total possible points
- B ..... 80% to 89% of total possible points
- C ..... 70% to 79% of total possible points
- D ..... 60% to 69% of total possible points
- F ..... 0% to 59% of total possible points
- I.....Incompletes (must be removed within established time frame)
- FA ..... Failure due to excessive absences
