Graduation Ceremony:

All eligible senior students are expected to participate in the school's annual commencement service. To be eligible to participate in graduation, a student must have completed all requirements for graduation before the date of the ceremony. **A student may be removed from participating in the graduation ceremony because of a prior serious disciplinary problem.** Student behavior and visitor behavior will be monitored by school personnel during the ceremony. The purposes for these guidelines are to provide an orderly, dignified, and well-organized graduation ceremony for seniors and their guests. Graduating seniors who are under suspension and have any unresolved Class III discipline issues at the time of graduation **may be denied** participation in the commencement exercises.
