

## Lunches:

The cafeteria at Shades Valley High School operates under the federal school lunch program guidelines and the child nutrition department for the Jefferson County School District. The objective of the program is to provide breakfast and lunch to the students enrolled in SVHS/JCIB. Prices for meals are established by the Jefferson County School District. Under federal government guidelines, students are allowed to buy a lunch at school or bring a lunch from home to be eaten in the lunchroom. **No student may have items from a fast food restaurant or have food delivered to school. Soft drinks or carbonated drinks are not allowed in the cafeteria.**

The school does not allow lunch charges. Applications for free or reduced priced lunches will be given to each student at the beginning of the school year or when the student is registered later in the year. Parents will be notified by letter whether or not the application is approved. **A separate application must be filled out for each student each year. The application must be completely filled out. Free and/or reduced lunches are not transferrable. All students are assigned a student number. Your student ID bar code will be swiped each day. You will no longer be asked to key in your student number. Student numbers, as well as student IDs, should be used only by the student to whom they have been assigned.**
