

SVHS/JCIB/SVTA

Mission:

To prepare all students with the skills needed to become college and career ready.

Vision:

A model 21st century school providing diverse pathways for all students to excel in a global society.

Our School Community is committed to:

- Maintaining high expectations
- Collaborating across the curriculum
- Focusing on learning
- Fostering a culture of care
- Using relevant and global technology in instruction
- Utilizing data to drive instruction and achieve goals
