

[Print](#)**Transfer Applications:**

All transfer applications **MUST** be completed and returned to the Department of Student Services by June 1, by 4:00 PM.

Tuition is required if a student's parent or legal guardian lives outside the Jefferson County School District. If approved, transfer students must provide their own transportation. Approval of an application for transfer for one year does not guarantee approval in subsequent years. With just cause, approval of transfer may be revoked during the school year.
